

The members of the Federation of DeKalb Office Support Personnel, Union Local 4328, are committed to educational excellence and the students of the DeKalb School District.

We recognize a critical need to increase classroom capacity in our community. Even though these are challenging economic times, we believe the people of our community have considered the costs of the proposed referendum very carefully and recognize that it is necessary to provide adequate space for students in our district. The proposed plan is cost-efficient, provides adequate facilities and includes room for future growth.

Quality education provided in modern, clean and technologically updated facilities is an asset for the entire community. Please join us on Tuesday, Feb. 5, as we vote yes for our schools.

MERRI SCHYVINCHT

President,

FDOSP Local 4328
